Antônio Rogério Bié de Moura

Multimedia Journalist | Video Producer | Immersive Storytelling

Los Angeles, CA | Email | LinkedIn | Portfolio

Video editor and project coordinator with 8+ years keeping teams, timelines and content on track: coordinated 5,700+ mentorships with a 1,000+ volunteer network, managed an XR pilot across 5 Los Angeles Public Library branches, and edited 90+ videos a year for a state school system of 350,000+ students. Builds AI workflows with Claude and MCP automations to organize files, content and production pipelines. M.A. graduate in Narrative and Emerging Media at Arizona State University (December 2026).

EXPERIENCE

Official Social Media Content Creator, Out of the Ashes 2025 – 2026

Immersive documentary by Rory Mitchell and Nonny de la Peña | Special Jury Prize, Venice Immersive 2026 | Los Angeles, CA / Venice, Italy

- Assisted production of volumetric capture to record high bit audio, camera alignment, behind-the-scenes footage, and actors' preparation for the interviews.
- Documented and produced content around the project's presentation at Venice Immersive 2026 (La Biennale di Venezia, Aug 29 – Sep 9), capturing and editing photo and video on site for ASU communications, with short documentaries on the making of the piece screened at international events.
- Presented the experience to 300+ visitors at the Music Center (January 2026)

Reclamation, WebXR 3D Asset Library 2026

Arizona State University | Los Angeles, CA

- Automated the 3D asset pipeline with a Claude MCP bridge to Blender, optimizing 50 models for WebXR under a 15,000-triangle limit and exporting them to GLB/GLTF.
- Researched 100+ open-license models to build a 50-asset library of native and adapted Southern California plants for a WebXR tool that lets fire survivors preview landscaping for their rebuilt homes.

Project Manager, ASU × Los Angeles Public Library XR Pilot 2026

Arizona State University and Los Angeles Public Library | Los Angeles, CA

- Helped to curate 10 award-winning XR titles for public lending and events across 5 library branches.
- Coordinated the setup of 10 Meta Quest Pro and Quest 3 headsets for screenings, plus one headset per library, through Meta Horizon managed services, with devices locked in kiosk mode for public borrowing.
- Trained 20+ library staff to run public sessions and scheduled 5 artist events with directors joining in person or live from Tehran and Berlin, drawing 100+ attendees.

Vice President of Social Media & Growth 2025 – Present

Brazil Conference at Harvard & MIT | Boston, MA

- Drove 6.2M views and 111.3K interactions (+78.9%) in 7 months, reaching 5.2M accounts.
- Edited video and designed graphics in-house for campaign, speaker and event content for a conference with 50+ speakers and 1,200 attendees.
- Helped manage 6 departments (digital marketing, design, website, app, press, tech and data) across 2 countries.

Social Media Manager Jan 2023 – Dec 2025

Department of Education, State of Ceará | Fortaleza, Brazil

- Led communication for a state school system of 350,000+ high school students across 750+ schools, as video maker, photographer and designer, producing 20+ campaigns and 90+ videos a year.
- Built media literacy programming delivered in 460+ schools to 137,000+ students.
- Recruited and trained a 50-student youth media team covering the G20 agenda in Brazil, publishing 20+ pieces that reached 500,000+ people.

Social Projects & Mentorship Coordinator Jun 2018 – Dec 2025

ImpactaJovem Brasil (nonprofit) | Brazil

- Coordinated 5,700+ free mentorships for high school students across 7 subjects, with a national network of 1,000+ volunteers from every Brazilian state.

- Ran the Delegates Program, funded by a U.S. Embassy social entrepreneurship grant, supporting 150+ social-impact initiatives that reached 20,000+ people.

VOLUNTEERING

Exhibition Volunteer, Immersive Pavilion and Spatial Storytelling Jul 2026

SIGGRAPH 2026 | Los Angeles, CA

- Guided attendees through *Impulse: Dawn of the Digital Dance Studio* by Brandon Powers and Whitt Sellers (Pulse & Pixel), a real-time motion capture tool in Unreal Engine for choreographing digital dancers.
- Troubleshot *REfract*, a live performance with a dancer and motion-captured avatars, before each show, and helped international audiences understand the concept.

Associate Producer, Reality Looks Back Jan – Apr 2026

SXSW 2026 XR Experience Spotlight | Austin, TX

- Led a 4-person team across 2 countries and 3 time zones to coordinate the SXSW presentation of a 21-minute immersive documentary, 1 of 13 Spotlight projects in a 31-project XR program.
- Ran 5 consecutive days of public exhibition on 5 to 7 concurrent Meta Quest 2 and 3 headsets, with 400+ individual viewings.

EDUCATION

USC Annenberg School for Communication and Journalism Aug 2026

Content Creators Academy, Intensive Program | Los Angeles, CA

- Digital content production, multi-platform storytelling and audience growth; produced a business plan and a multimedia series on how immersive media can help communities build climate resilience around the world, to reach 15,000+ people acknowledging the issue/impact.

M.A. Narrative and Emerging Media Aug 2025 – Dec 2026

Arizona State University, California Center | Los Angeles, CA

- Immersive storytelling across interactive experiences: volumetric capture and Gaussian splatting to 180° video and virtual production. Supervised by Prof. Nonny de la Peña. GPA 4.00.
- Graduation project: *The Sound of a Sacrifice Zone*, an environmental justice XR documentary on how SpaceX rocket launches affect the communities around Boca Chica, Texas.
- Capstone: *Pages of Prophecy*, an XR vertical slice co-created with director Noelle Muluneh, staging Gaussian splats and 360° video in Unity for her family's story of exile on Asinara.

B.A. Journalism Feb 2019 – Dec 2023

Federal University of Ceará | Fortaleza, Brazil

- Directed, wrote and produced *Children of the Wind*, a documentary on wind energy's environmental impact on a traditional Afro-Brazilian community, backed by extended ethnographic and journalistic research and an impact-focused distribution strategy with the affected communities.
- Selected by the Cine Ceará Ibero-American Film Festival from 100+ submissions; 1,000+ people at the screening and 15,000+ online views.
